## GENDER SENSITIZATION CELL

Our college is well prepared to handle and report to gender sensitive issue. We have provided an environment where boys and girls study together with a permeable security and dignity.

### Objectives

- To make young boys and girls gender sensitive amendments positive values that supports the girls and their right.
- To provide over all guidance to our girls in the form of focused group discussion, cultures and competition.
- To generate awareness in regard to equality in law social system and democratize activities.
