PLACEMENT AND CAREER GUIDANCE CELL

To provide guidance and assistant for students to achieve the career goals a placement and career guidance cell is formed. Special programs will be conducted regularly. Our college had decided to welcome guest lecture for training the students. The cell will verify information at regular intervals.

- To impart the quality training to students
- To equip students to meet the challenges at the pharmaceutical industry.
- To enrich talents by organizing various workshop.
- To maintain close association with industries for placement.
- To impart the students with current development in the field of pharmacy.
- To organize skill development programs.
